

SUGGESTED NONPROFIT AGENCIES – PUEBLO

PHEF has several opportunities that you could volunteer at including our annual Benefit Dance, Educator of the Year event, Telethon, Scholarship Banquet, and Golf Tournament. Our offices are open Monday through Friday, and we can always use additional help here as well.

You may volunteer at any other nonprofit agency in the community you are living in while you are attending pursuing your college education. Schools and hospitals are also great locations to consider, especially if you may be interested in eventually working in that profession after earning your degree. Other places to consider can be found on the list below. If you have any questions or concerns contact us at 719-549-256
